STEWARDSHIP

We would like to thank the many stewards of our parishes for the abundant ways you represent Catholics at work in our communities and parishes. In an effort to build on and support those current stewardship efforts and possibly add new ministries, Bishop McKnight, Fr. Bill and myself are asking all of you to join a small group to meet weekly during this upcoming Lenten season to further explore how each of us is being called to glorify God by serving those around us, Sign ups begin today! Sheets are in the back of the church! You are also welcome to sign up as an existing study group by contacting me directly. Everyone will receive a stewardship guide to help out many groups focus on the same areas each week. If you would consider being a leader, please indicate so on the sign up. We look forward to growing and uniting our Catholic service and presence in our communities together!

Sincerely,

Amanda Durbin, Stewardship Council Chair
