SAFE ENVIRONMENT - VIRTUS TRAINING

There seems to be a lot of misconception with the VIRTUS training. The following are statements that have been made that need to be addressed.

1. You have to take the training to attend Parish Functions.

FALSE! Everyone is welcome to attend Parish Functions, whether you have the training or not. Please, don't think you have to take the training to enjoy church gatherings.

2. Training does not count unless you attend a face-to-face training class.

FALSE! The training is available on line at virtusonline.org and can be taken at any time at your convenience.

3. Father can ask a parishioner to leave a function if they have not taken the training.

FALSE! Father does not have a list of who has taken the training or not.

He wants everyone to take part in the parish functions and would NEVER ask anyone to leave.

Please, if you have any questions, or would like to discuss this further, contact the Parish Office or Father Bill.

Next week there will be an explanation on the types of volunteers and what training is needed for each.
