And for this reason we too give thanks to God unceasingly, that, in receiving the word of God from hearing us, you received not a human word but, as it truly is, the word of God, which is now at work in you who believe.

1 Thessalonians 2:13

The late Msgr. Thomas McGread said, "The Bible is the textbook and the celebration of Mass is the classroom." This "textbook" is the Word of God that guides us to walk with Jesus on the path to holiness. When we study the Word of God, we grow in relationship with Him.
