## SAFE ENVIRONMENT - VIRTUS TRAINING

The Safe Environment training is available at [virtusonline.org](http://virtusonline.org) and is very simple.

Go to the website, create an account with a username and password.

You will choose what category for the volunteering you will be participating in.

Once that section is completed, you will watch scenarios of different situations and answer questions.

This training is approximately an hour long and can be completed at you convenience.

If you have questions, or would like to talk about this information, please contact the Parish Office or Father Bill or Amanda Durbin

*For our gospel did not come to you in word alone, but also in power and in the Holy Spirit and with much conviction.*
