CHURCH RESTORATION PLANS

As of now, the plan is to start work on the sanctuary on August 16 due to the church being booked for weddings in May, June & July.

At this point, there is currently \$26,831.00 in the Repairs & Maintenance Fund. The estimated cost of the restoration is \$70,000.00. To make up the difference \$43,169.00 is needed.

If you would like to make a donation to the Repairs & Maintenance Fund, envelopes are available in the basket on the small table at the back of church. We are in the process of setting up another option for donations.

**CALLING ALL ST. JOSEPH’S
CONSTRUCTION CREW**

Father is gone on retreat this week and it would be a great time to get the projects completed in the rectory (or at least some of them). The projects are installing ceiling tile in the dining room, installing magnets on the kitchen cabinet doors and installing an access in the ceiling of the downstairs bathroom.

We have the cabinet magnets and the ceiling tile.

If you could help please contact the office.

VIRTUS AUDIT

As you might know, the Diocese held the VIRTUS audit of St. Mary, Immaculate Conception, St. Patrick & Sacred Heart last week.

We found there is still room for improvement.

I will be contacting those that need to update information via email this week.

For those that have not taken the Safe Environment Training, and would like to do so, there will be a computer available in the parish office for anyone that would like to take the training on line.

If you would like to participate in the training in a classroom setting, please contact the office and we will get a class set up.

Thank you to all of you that have become compliant to protect all of our young parishioners.

Prayers to the family of Joyce Halterman.

Joyce past away April 18.
