**ST. HILDEGARD’S HELPERS**

Several have indicated an interest in restarting St. Hildegard’s Helpers. St. Hildegard was a young woman who took food to people in need. This group was originally organized a few years ago to bring meals to those who were having health issues or in the happy event of a new baby. In the beginning, someone made arrangements with the person in need of meals and scheduled the meals with the rest of us.

**However at this time, we are going to simplify the process!**

I will send out the names of those in our parish family (and possibly those beyond) that we could follow up with **ONLY** an entrée of some kind. I will not organize a schedule, but instead give you the names, and if you would like to help, you can make an entrée that can be frozen and you can drop it off at their home at your leisure, rather than on a particular scheduled time or day. I can help with addresses. Several helped with this effort a few years ago, but it got to be very hectic trying to find a day or time that worked for the family and also those making the meal. So we are leaving it up to you, giving you the freedom to help serve in this ministry if you feel called to do so. Let me know if you are interested in being on the notification list for this ministry. I will send an email to your address when we have a family with either an illness, surgery, or welcoming a new baby.

Thank you for your willingness to consider helping others through this ministry. Hopefully we can begin soon!

## THE WISDOM OF FULTON SHEEN

Leisure is a form of silence, not noiselessness. It is the silence of contemplation such as occurs when we let our minds rest on a rosebud, a child at play, a Divine mystery or a waterfall.
